前略、百合の園より 1

須河篤志 Atsushi Suga

As a tough looking blonde with an angry stare, Kurashiki Yuri instills fear in her classmates.

When her "secret of secrets" is about to be exposed, it is Fujiwara Misono, honor student and the school's Saint, who steps in.

From that moment on Misono shows a high interest in Yuri, but it turns out her personality is almost like that of a queen...!

The scary-looking, easily flustered, pure-hearted girl...

And the unfathomable, indomitable girl with another side to her...

This is the story of their unwieldy, bewildering and dramatic days!

NOTES FROM THE GARDEN OF LILIES

Didn't it go just fine?
Yeah...
But this time I'll be showing her the manga...
SHINOBU'S STORY
I hope it's okay. I hope it doesn't freak her out.
Huuh?! She was fine with the novel, so why not this time?
Yuri
finally found a friend aside from me.
Hmm... I'm just a bit worried...
MUTTER MUTTER

tak
tak tak
I'm happy for her. of course.
Her world's opening up.
And I'm thankful to the new friend as well.

Yuri.
Done.
TAP
Still...
SIGH
Oh, right, she already left.

She used to come here every day after school.
I guess that's going to happen less now.
I wonder if she's able to smile more now.
in a place I don't know. with a friend I've never met.
I wonder if over there she shows a side of her that I've never seen...
Isn't that just...

Jeal-
ousy?

That makes two of us, then.
I guess I'm feeling a little lonely.
You might be right. I mean, this kind of thing hasn't happened before

I'm feeling pretty jealous right now too, you know.
...Oh!
CRACK
It's like parental love. You don't need to be so suspicious.
Eh? But...

Feels kinda fishy.
There's nothing like that.
What's gotten into you?
Ooh? Then give me a kiss. Kiss me.

!
Wasn't she your first love?

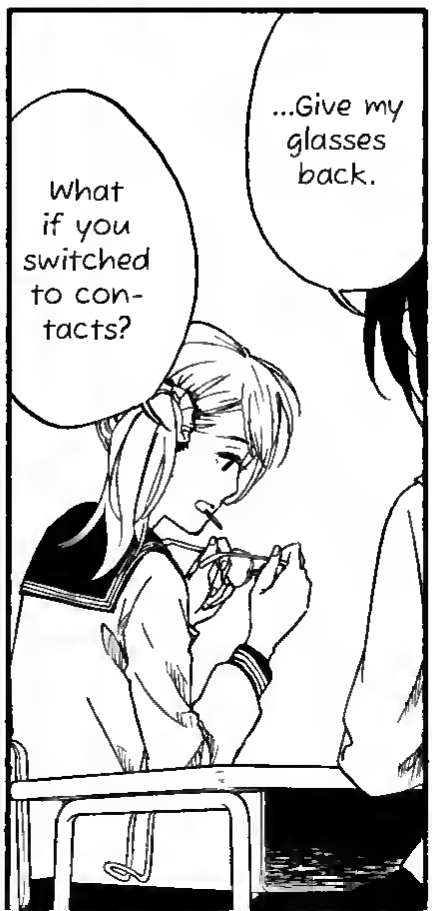
SIGH
Haa... You sure have some strange tastes.
I don't know what you see in an ugly girl like me—
You're not ugly.

I won't believe you if you don't kiss me.

LEAN
You're cute, Shinobu.
Sto—
You have silky hair,
you have long eye-lashes.
I love your round eyes,
and I think your freckles are cute.

So which part exactly is ugly?

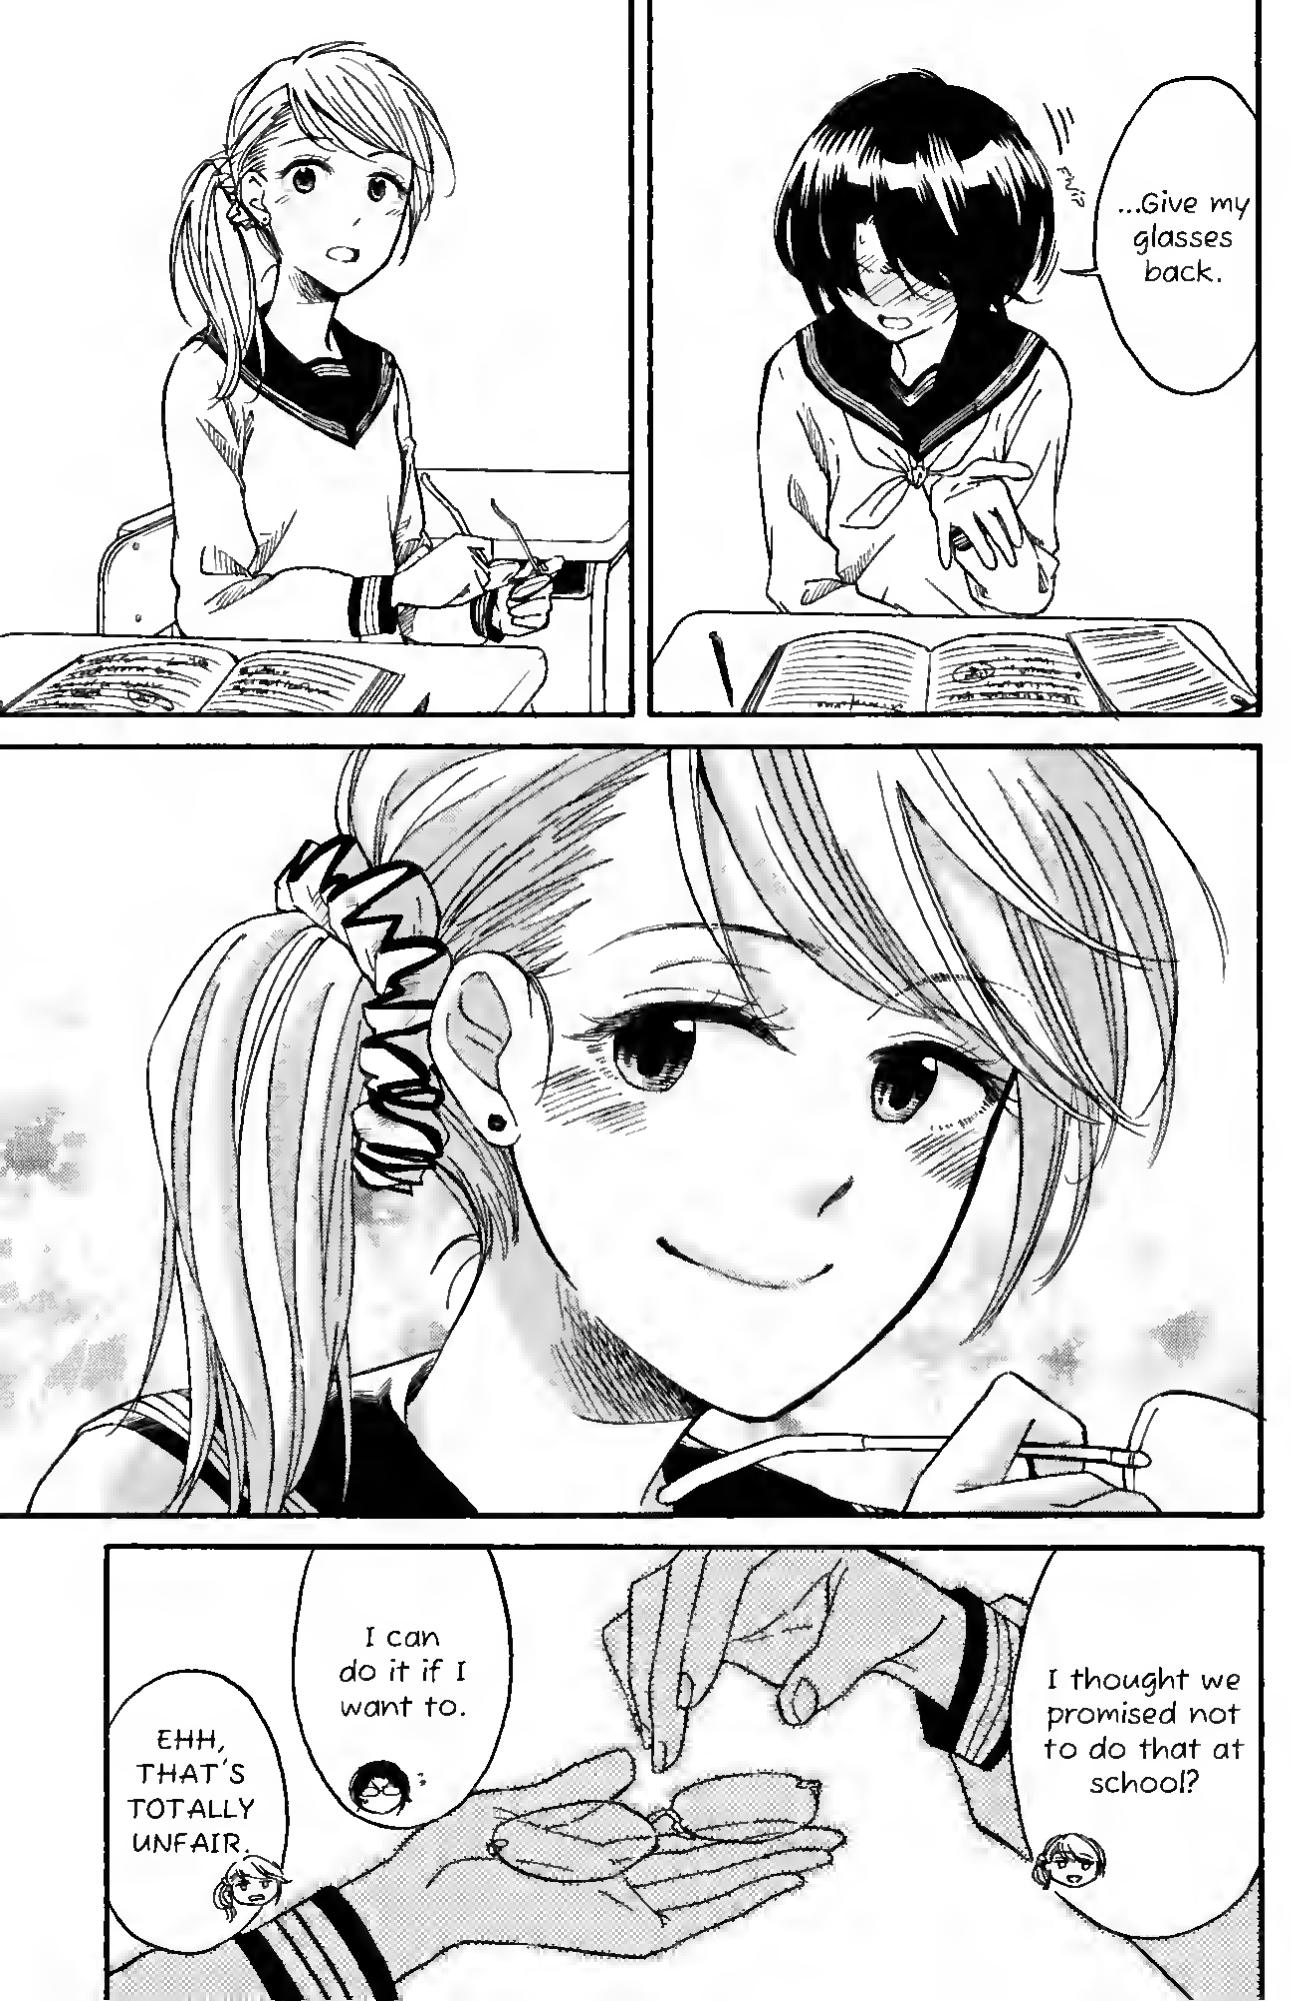
I like glasses too.
but I think you'd be even cuter.
...



...Give my glasses back.
What if you switched to contacts?

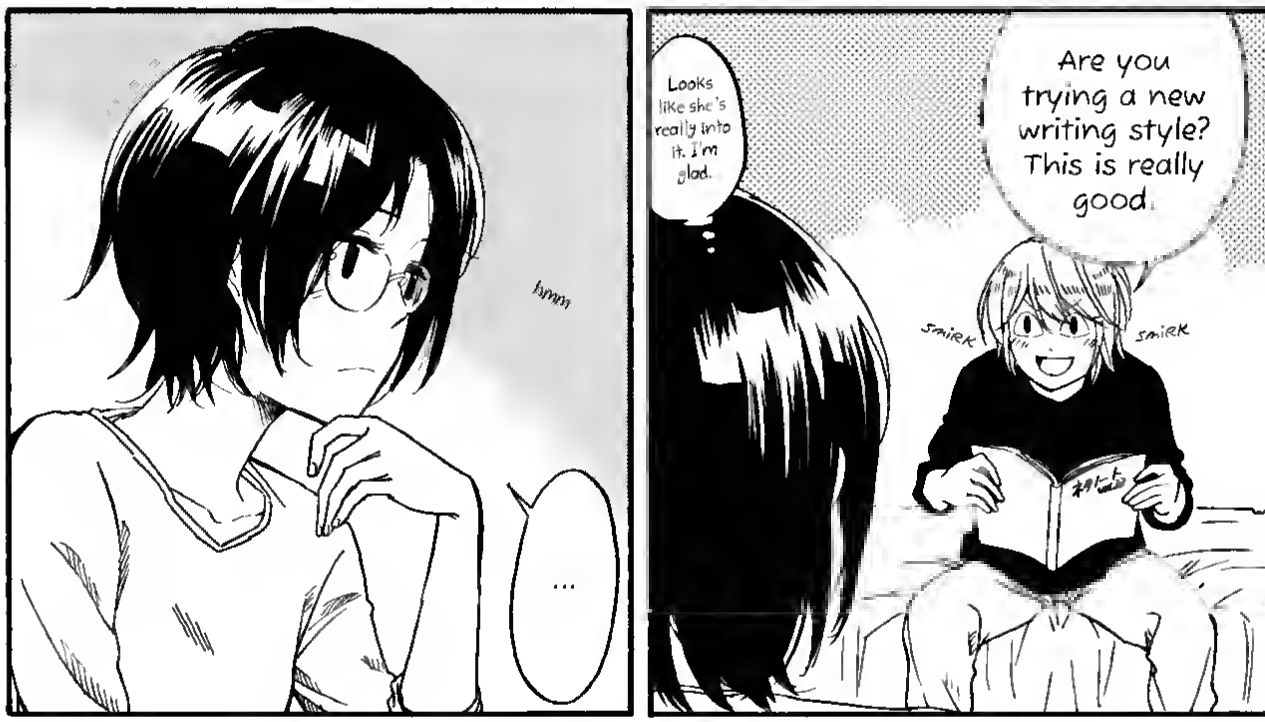
Give them back.
Oh, but if you get any cuter than you already are, you're going to be really popular. I wouldn't like that.
AZUSA!
Hmm, but then, I guess I could just tell everyone that you're mine.
Uh?
What is it?
TURN

Are you satisfied now?



...Give my glasses back.
I can do it if I want to.
EHH, THAT'S TOTALLY UNFAIR.
I thought we promised not to do that at school?

...Shi-
nobu.



hmmm
...
Looks like she's really into it. I'm glad.
Are you trying a new writing style? This is really good.
